

RESURRECTION ELECTION

Volume 5, Issue 3

October 2013

OUR MISSION

Live the Faith! Lift High the Cross!

OUR VISION

We will grow in faith and numbers by seeing Christ in one another in all we say and do!

Pastor's Ponderings

Dear Brothers and Sisters in Christ;

The 2013-2014 program year is off and running!

While it is hard to believe that that summer months are over considering this nice weather we have continued to have, I know that Christmas will be here before we know it. And, there are so many things that need to get done before then!

I was excited to have 12 students in our First Bible Class! The students and their parents met three weeks in a row to become more familiar with the Holy Bible and then received their Bibles during worship on October 6.

New this year was how each student was paired with a Prayer Buddy. Students and Prayer Buddies took pictures together and then spent some time getting to know each other. Even though the students have received their first Bibles, I hope the Buddies will continue to pray for each other throughout the year. Also, it is not too late to have friends, family, and congregation members highlight Bible verses and stories in these new Bibles.

One of the great things about a Bible that has been highlighted and underlined, and used is the memories that go along with all those stories and how each person has walked beside us in our faith journeys.

As we look to the future, Resurrection will be the host for the Area 5 Annual Meeting, will assist with the Haysville Fall festival Worship, and will host the City-Wide Thanksgiving service.

Reformation Sunday will give us the opportunity to celebrate with Corey Evans and Victoria Tjaden as they make public affirmation of their baptism during the service. Please support them and surround them in prayer as they become members of our congregation.

Peace and Blessings,
Pastor Elizabeth

Council Corner

By John Larson

Each month council invites a team leader as a guest for an update on activities, to learn future plans and any concerns from that group. In August council invited Pam Porsch who reported that 28 children attended and enjoyed Vacation Bible School, learning to 'Stand Strong' with Jesus.

In August the council discussed our church financial status which was a serious concern, but with faith, our congregation is going forward!

Council's guest in September was Candy Saxton, representing the Stewardship team. She reported having met with our office employees and reviewing, updating our church liability insurance.

Concerning the church annual meeting, council has decided to consolidate the former two-Sunday schedule to *one meeting day*, December 1st. Consolidating our former schedule will hopefully clarify business and motivate more members to attend and take part.

Take Note! There are opportunities available to serve your church as a council member. Seriously consider this important and vital service.

Lutherland tour

By Evelyn Clark

From July 6-10, 2013, Candy Saxton, my daughter Ann Mah, and I were part of a group of 27 on a Lutherland tour. Many of the group were from Wichita, but we were joined by Lutherans from Washington, Indiana, and Illinois.

We arrived in Frankfurt the morning of July 6 and were met by our tour director and bus. We spent two nights in Eisenach and visited Wartburg Castle and Bach's birthplace. This was Sunday and we worshiped at St George Kirche/Church (*below*).

Four generations of the Bach family were organists at this church. At the Bach House, we saw an interesting collection of antique organs and pianos and enjoyed a musical presentation on these instruments. Luther spent almost a year at the Wartburg and made his translation of the New

Testament while here.

Enroute to Dresden, we visited the former concentration camp Buchenwald where between 1937 and 1945, a quarter million people were imprisoned.

The center of Dresden was destroyed in an Allied fire bombing in 1945. These buildings have been restored. This includes the Opera House, museums, and cathedrals. The Protestant Cathedral has only recently been reopened. On our way to Wittenberg, we stopped at Torgau where Katie Luther died and is buried. It was at Torgau that the Allied and Russian armies met at the Elbe River at the end of the war.

We spent five nights at Wittenberg and made day trips to Berlin, Halle, Leipzig, and Eisenach. Wittenberg is preparing for the 500th anniversary in 2017 of the posting of the 95 Theses on the Castle Church doors and so scaffolding is everywhere. The interior of the Castle Church is being renovated, but we were able to hold some services there and at the Corpus Christi Chapel which is next to the City Church/ St Mary's (*right*).

Since our time in Berlin was limited, our group visited various museums on "Museum Island."

Luther was born and died at Eisleben. A new museum has been added to his birth house and added much interesting information. Luther was baptized at St Peter and Paul Church (*below*) and

the congregation has elected to focus on baptism and has redone the interior and added a baptistry in the chancel area. Luther died while

on a trip to Eisleben and his Death House Museum is across the street from St Andrew's Church where he preached his last sermon.

In Leipzig, we heard of the "Peaceful Revolution" which brought thousands into the streets and contributed to the collapse of the Communist government in East Germany. St Nicholas Church was the focal point of this movement. At St Thomas Church we attended one of the organ concerts held weekly during the summer with guest organists playing on the two organs in the church.

On our last day we traveled to Erfurt where we visited St Mary's Cathedral where Luther was ordained as an Augustinian monk.

The ELCA maintains an office in Wittenberg and they welcome requests for Luther tours. They work with Christian Tours which puts the tours together. This was my fourth visit to Wittenberg and the "Lutherstadt" area and each has been different and always fun and interesting. Ann and I made new friends, thoroughly enjoyed the company and, of course, we found time to shop and enjoy and food.

LEARN

Vacation Bible School, 2013

By Pam Porsch

Kingdom Rock VBS was held June 24-28 from 6:00-8:30pm. A light snack was served each night as part of the program. At Kingdom Rock kids learned one important Bible Point each day. The Bible Point was reinforced in all seven daily stations – Sing & Play Rock, Imagination Station, Chadder’s Royal Theatre and Missions, The King’s Kitchen, Tournament Games, Epic Bible Adventures and Fanfare Finale. Themes for the days were as follows: Day 1: God’s love helps us stand strong! Day 2: Family and friends help us stand strong! Day 3: Prayer helps us stand strong! Day 4: Trusting God helps us stand strong! and Day 5: The Bible helps us stand strong! Leaders for the seven stations were Pastor Elizabeth, Lacey DeWitt, Karolyn Braun, Alice Yochum, Bert Kirkpatrick, Betty & Brent Batten, Rory Cummings, Eric Braun, Loretta Holmes, Vicki Larsen, Maranda Pike, Deanna Deutscher and many more volunteers helped each night. The week started with extra excitement when a wheat fire broke out one mile away, then Wednesday night it got really interesting with a violent wind storm, which knocked out power for the rest of the week, but we prevailed and completed the entire week of fun. Thanks to all who made VBS a success again this year by volunteering, donating the necessary items and bringing the kids!

BAD GIRLS BIBLE STUDY

By Vicki Sample

In October's study of Rachel and Leah, we laughed 'till we cried as we realized some great similarities with these 'Slightly Bad Girls' /women of the Bible. Wow! More than 2500 years separate us, yet we often react in the same ways and best of all, God still loves us!

Our next meeting will be Saturday, January 11, 2014. Please join us from 10 am to noon in Fellowship Hall.

With learning and laughter, we also enjoy a light lunch. This is a wonderful way to spend a Saturday morning. We are a very informal group and would love to have you to join us.

Prayer and Care Team – Rejoice for the Kogi Tribe

Recently our prayer team received an email from Linda with this news: On September 25, the Kogi checking team finished the final translation check of the Kogi New Testament! They thank God for His presence and enabling during each of the committee sessions and also thank us for our prayers and standing together with them in this process. HURRAY!! This news is indeed cause for great rejoicing and thankful prayers to God!

Perhaps you recall a newsletter article several years back about Linda, a Wycliff Bible translator who has spent most of her life working with the Kogi Tribe, a primitive society in Colombia. She has lived with the Kogis, in a mud/straw hut at first, to learn their language, develop an alphabet and a written Kogi language, then teach them to read so the Word can be brought to that people.

Through the years many prayers have been answered. Great progress has been made despite opposition in several areas. Kogi families have 'taken hold of Jesus' as they say and have been baptized in Kogi Christian churches. Kogis have written hymns. Health care has improved. Several Kogi men have graduated from college in Bogota and have returned to their villages to teach their people. As the New Testament has been translated, painstaking checks with translation teams of educated Kogis have been held to make certain that words and phrases are able to be understood by the largely primitive Kogi people. God has heard and answered our prayers and the prayers of many others for Linda, her mission and for the Kogi Christians.

Linda told us that there is still a lot of work to do on details for layout and printing. Their goal is to have the text ready for voice recording by the end of the year and then do layout in early 2014. Linda is delighted to report that "Faith Comes by Hearing" plans to record the Kogi New Testament early next year for the many illiterate Kogis and God willing, the printed and audio versions of the New Testament will be ready for distribution a year from now!

Linda has a prayer request for us: Pray God will enable the Kogi church to prepare Kogi hearts to receive the published New Testament. Will you join our prayer team as we pray for Linda and the Kogis?

Proverbs 3:5-6

Trust in the LORD with all your heart and lean not on your own understanding; in all your ways acknowledge him, and he will make your paths straight.

WELCA Ark River Valley Cluster

The fall Area 5 Women of the ELCA (WELCA) Cluster meeting was held at Reformation Lutheran Church on October 19th. During the business meeting the gathering voted to combine this group's biannual meetings into one springtime meeting. The next meeting will be held at Cross of Glory Lutheran Church in Derby, date to be determined. Alice Burnett, who represents Area 5 on the Central States Synod WELCA Board told of the 2014 WELCA Triennial meeting in Charlotte, NC next July and announced that Area 5 women will gather September 19-21 at Fort Arrowhead in Lake of the Ozarks. It was announced that Loretta Holmes is Area 5 WELCA chair for 2014!

A photograph of Phyllis Burdge, a woman with short brown hair, wearing a grey blazer and trousers, standing next to a black dog. They are positioned in front of a wooden podium with a cross on top, set against a brick wall with a green banner. The dog is a large, dark-colored breed, possibly a Labrador Retriever.

1988, Phyllis worked with then state senator, Jerry Moran to write the first Kansas service dog legislation, which was made law. Decatur is her 4th service dog and the dogs have helped her recover from being bed ridden for over 12 years to doing a 'Walk-About' from Kansas to Florida and back, sharing and listening to other's stories of struggle, encouraging all she meets!

SERVE

Youth Ministry Team Events

By Pam Porsch

July 2013 - Several of our Youth went on a *Mission Passport Mission Trip*. Our urban mission experience began on Friday evening and concluded on Sunday afternoon. We were introduced to a number of agencies/mission organizations in Wichita serving those in need of shelter, clothing and food. We gained an understanding of the challenges faced by widows, the elderly, the fatherless and orphans and others in our community. We have the opportunity to support the agencies/mission organizations we visited, we gained knowledge on what God's work we can do right here in the Wichita area, as well as, have the opportunity to serve as on-going volunteers with them. This short-term mission trip experience has potential long-lasting relationships with our community. We CAN make a difference!

August 25 & October 26 – *Sandwich Saturday*
9:30-noon – The Youth of Haysville Churches gather at various Haysville Churches (Foursquare Gospel in August & Resurrection in October) to prepare 200+ sack lunches and deliver them to St John’s Episcopal Church in Wichita. The homeless who receive the lunches are very grateful for this outreach project and the youth continue to be excited to participate in this Community Service Project.

June 22 - 2nd Annual All Saint's Birthday Party and Bingo 2-4pm @ RLC - All attendees had a fun afternoon enjoying twelve individually, artfully decorated birthday cakes. (Can you REALLY

sample all 12 cakes?) Following the cakeorama were the ever exciting bingo games *with over 50 winners!* Next year's event will have a Christmas in July theme incorporated, so be on the lookout for more information and get ready to reserve the date for next summer!

October 5 & 6 - *Bierocks* anyone?! The youth spent October 5th making 200 bierocks and Ms Saxton spent the week making *Lefse*, so that on Sunday, October 6th the congregation could have treats to purchase and take home to eat. The Youth sincerely thank the congregation for their support and we will be forever indebted to Ms Saxton for her wonderful *Lefse*! THANK YOU!!

December 7 - Mark your calendar! *Sitting 4
Shopping and Lunch with Santa* from 10am - 2pm.
The kids always have a wonderful time making
several craft projects and listening to the Christ-

1 Peter 4:11

If anyone speaks, he should do it as one speaking the very words of God. If anyone serves, he should do it with the strength God provides, so that in all things God may be praised through Jesus Christ. To him be the glory and the power for ever and ever. Amen.

SPOTLIGHT

Spot Light on Bert Kirkpatrick

Bert is currently involved in writing his auto biography with a section on ancient history. He tells of a photo of his Great Aunt Sue as a youngster sitting on the lap of the outlaw Jesse James and also that his maternal grandmother was a bootlegger.

But you want to read about Bert, and here he is. Bert was born at home in Kansas City, Missouri and added that the doctor who came to deliver him was 'in the cups'. He had a younger sister, Margaret, who died suddenly at age 25 due to an aggressive pneumonia. He has a son, 2 daughters, 9 grandchildren & 4 great-grandchildren. Bert came from an unchurched home and due to his parents' divorce bounced around as he grew up. In second grade, Bert & Margaret were sent to a boarding school, which he hated. While Margaret settled to live with their paternal grandparents, Bert shifted from living with his Mom or Dad and was relocated several times: Dubuque, Iowa, Tucumcari, New Mexico, California, and Chicago, Illinois. When he started 8th grade he faced yet another move and change of schools, Bert opted to join his sister and then also lived with his paternal grandmother through high school.

Before he lived with his grandmother, Bert would often visit her and his sister on weekends. It was then and there that he began attending a Sunday school with Margaret. It was at a small Lutheran church which the pastor, Dr. Lack, had founded by knocking on doors inviting people to worship. At this church he was baptized and confirmed. In 8th grade, Bert was part of Ward Parkway Lutheran Church's second confirmation class and even though he began confirmation studies a bit late, Bert recalls he scored 100% on the written exam and survived a public exam. That Kansas City congregation later moved to the KS side and changed their name to *Resurrection Lutheran Church*.

Bert feels that the Holy Spirit has called him all through his life, even leading him as a boy to play at a Salvation Army playground which led to attending Sunday school. At his former church, Bert served as the senior deacon for 12 years and conducted services in the pastor's absence. On the first Sunday that he attended Haysville Resurrection, Bert sat in a back pew, wishing to remain anonymous. When lightning struck and took out the organ, there was a shocked silence. Then Bert continued singing "Praise the Lord, Let the People Rejoice" in a loud, strong voice....so much for remaining anonymous! Bert remains very active in our church, beginning by preaching even before he had officially joined. He, along with Anita Johnson and Evelyn Clark, started the present Prayer Team. He calls himself a 'pinch hitter' serving on the Altar Guild and as an unofficial WELCA member. Bert represents our church by conducting a monthly communion service at the Haysville Health Care Center and has conducted two memorial services for residents there. He calls the residents "inmates" and joins them for dinner on occasion.

Graduating high school, received their Victor Wilson scholarship to Kansas City University or Yale! In his first semester of college he made the Dean's List, the top 10%. He elected to enter the navy though he was in love with and soon married his high school sweet heart, Vicki. In the navy, Bert

SPOTLIGHT

worked as a clerk and was assigned to report court martial hearings. After his Navy service, he worked for the CEI and Great Northern railroad as a stenographer and attended night school to become a court reporter. At age 28 his first court reporter job in District court was to work for Judge James V. Riddel who became a very close friend, although the judge was a Catholic and Republican and Bert is staunch Lutheran and Democrat. Later he worked for Judge Ken Kimmel, then Judge Clark V. Owens, Jr. Bert can still write 2 short hand systems and tells many stories of court reporting.

Bert loves animals----but NOT CATS! His love of horses began at age 5 when his dad bought him a Shetland pony. In 8th grade he would ride his bike to rent a horse and 'hang on the fence' to watch and learn from other's lessons. Black Jack, his present horse, came to the St Francis Day animal blessing recently. Owning several horses over the years, likely his favorite is a white saddle bred, Portia. A member of the KS Carriage & Driving Society, Bert drove Portia with varied carriages as well as riding English style, always English! Dogs? Bert spent \$100 he couldn't spare to buy his first dachshund, Frieda von Boobly, always has had doxies, presently, Dietrich, who lives with a schnauzer, Roscoe. Birds? Bert is a charter member of the KS Caged Bird Club, and has successfully bred several African Grey Parrots (a rare feat). He now has 'only' 4 canaries.

Other than family, church and animals, Bert loves to read – has read everything written by Charles Dickens, his favorite author. He gardens, speaks some Spanish, signs for hearing impaired, writes letters to military and home bound members. He has assisted 5 men after their prison release. Phew!

Bert says, "Growing up poor, I understand needs of people." He feels that one doesn't need a lot of Bible knowledge to witness for Christ and he lists three important Christian points: Be a good listener, exercise forgiveness, and see worth in others. Bert claims the Lutheran church as his home, yet states that he can be comfortable worshipping anywhere Christ is preached.

To Whom Shall We Go?

God of Goodness,

You know that the violence in our community is out of control.

It is taking our helpless and innocent ones, it is taking our children.

And, we confess that beyond the violence in our streets, is the violence in our own hearts.

We contribute to a culture of violence whenever we give in to hatred, fear, indifference, and our own self-satisfaction.

It seems that we are growing numb to the suffering, the loss, the indignity done to our sisters and brothers and to our Earth.

But in our hearts, and in the heart of the community, help us to value life and beauty over instant satisfaction, and to value sharing over greed.

Empower us to acknowledge and affirm our children, ours spouses, our neighbors and seek respectful solutions to our conflicts.

Create through us a world where it will be easier to be good.

Your spirit, given to us is not timid.

Therefore, each of us can do something, person by person, family by family, community by community, to realize that we are one – one body, one people, one earth.

By Your design, we thrive or we perish together.

Holy One, give us the grace of hope.

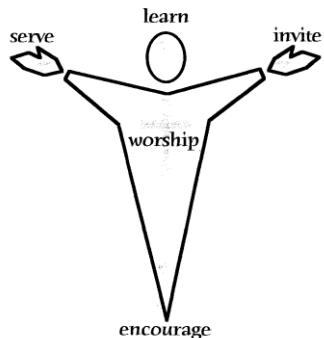

Give us the dedication to goodness and truth as we seek to restore our community to wholeness and life.

Enable us in this way, to take back our city from the violence and crippling fear we find in our midst.

Trusting that your desire for us is peace, not disaster, we pray this in Your name.
